Hosting a GOOD JUJU *Party*

A Good JuJu Party is an exceptional way for your business, church, Girl Scout Troop, sorority or others to foster team building, an ethos of service and giving back to the community, and to serve as advocates for children with cancer.

Step 1: Plan the Party

- You choose the day and time (2-hours); we will travel to your location within an hour radius to our office in Sugar Land.
- Invite up to 25 guests to join.
- Your company/group will be recognized for spreading Good JuJu and bringing brighter days to children with cancer through our social media and quarterly newsletter.

Step 2: Spread Good JuJu

- We request time for a 20 minute introduction to The Faris Foundation with PowerPoint.
- We bring all the gifts and the wrapping materials. Your team will decorate the wrapping paper.
- Once the child receives their package we send photos to you!

For businesses: We ask for a **minimum of $200 donation** to support a Good JuJu Care Package from your organization.
