THE FARIS FOUNDATION PRESENTS...

LET THERE BE GOLD KIT

SEPTEMBER IS CHILDHOOD CANCER AWARENESS MONTH REPRESENTED BY THE GOLD RIBBON (EST. 1997)

"DON'T KIDS MATTER? AREN'T WE IMPORTANT? WHEN I GROW UP, I WILL LET THERE BE GOLD."

FARIS D. VIRANI

CHIEF ANGEL OFFICER, THE FARIS FOUNDATION

A little boy asked "don't kids matter?" and his question is our call to action. Join The Faris Foundation to honor every child affected by cancer this September. Here are some ways you can show up and **Let There Be GOLD** for children with cancer!

Gold Decor
Tie a gold ribbon on your mailbox, or your front door. Distribute gold ribbons to your friends and neighbors, and see if you can get your whole block to go gold with a GOLD OUT contest!

Gold Spirit Days
Initiate a GOLD Spirit Day at school or work, or pick another theme that ties to Childhood Cancer Awareness (Superheros is a popular one!).

Bake Sale Fundraiser
Raise funds for life-saving research and other programs serving children with cancer.

LET THERE BE GOLD KIT

Local Business Give Back Day
Reach out to your favorite local businesses and encourage them to donate a portion of their proceeds to our GOLDEN cause!

Share on Social Media
Share a post from @TheFarisFoundation on Facebook, Instagram, or LinkedIn. Use our templates to create your own social media post!

Add Some GOLD to Your Email Signature
Incorporate a gold ribbon graphic or message in your email signature. “September is Childhood Cancer Awareness Month! Let There Be GOLD all month long and beyond!”

The Faris Foundation brings brighter days and better treatments to children with cancer, through groundbreaking pediatric cancer research, creative arts programs at children’s cancer centers, personalized care packages for children with cancer, and public awareness iniatives.
