Frequently Asked Questions

Q: Is the Houston Marathon only for experienced runners?

A: Absolutely not! Many of our runners ran their first race ever with us!

Q: What is the difference between HERO registration and (Fundraise for Registration (FFR)?

A: A HERO runner pays for their registration along with a one-time tax deductible donation. FFR commits to raising $250/$500/$750 (5K/Half/Full Marathon) and The Faris Foundation covers your registration.

Q: How will I collect donations?

A: When you register for the race, you will get your own unique fundraising page. We have preset this with a Faris Foundation banner and wording, but you can change this to express your personal inspiration and add pictures. This url is easily copied into email and social media posts.

Q: During the registration process, I am asked if I want to participate with a team. Aren't I already on The Faris Foundation Team?

A: Yes you are. This question is asking about sub-teams within The Faris Foundation. Most runners will select "No". If you have friends, family, or co-workers you want to team up with to run and fundraise, you can select "Yes" to create or join a team.

Q: How are the donations used?

A: After we have covered the cost of registration, 100% of the money raised goes into our programs bringing brighter days and better treatments to children with cancer.

Q: How can I find out more or volunteer?

A: To find out more or to get involved, contact Carrie Hassall, carrie@thefarisfoundation.org
